Welcome!

A degree from NITK is only as good as the people you meet here. With the world in lockdown, we felt the spontaneous, uninhibited conversation dying.

We have built the forum to foster a community of like-minded people in NITK to discuss their interests and help each other out. Read more in our blog post.

We hope you enjoy using it as much as we have enjoyed creating it! And remember the golden rule - **don't be not cool**.

Hello All!

Greetings from Team IRIS!

Feel free to open up and request for new features, modules and products from Team IRIS based on your innovative ideas and needs. The IRIS Product team shall actively look into suggestions and recommendations.

I'm not sure whether this was suggested earlier or not, but I guess it would be fine to suggest it here. I was just checking various clubs at IRIS, it has pretty much good introduction but it lacks information. It would have been great if clubs (or their representative) could have an introductory thread to share their vision to freshmen and to those who are yet to be part of a club. Considerably, there also could be a chance to recruit members through forum if they
